AKWOOD

Polled Shorthorn Auction Sale

There's a certain

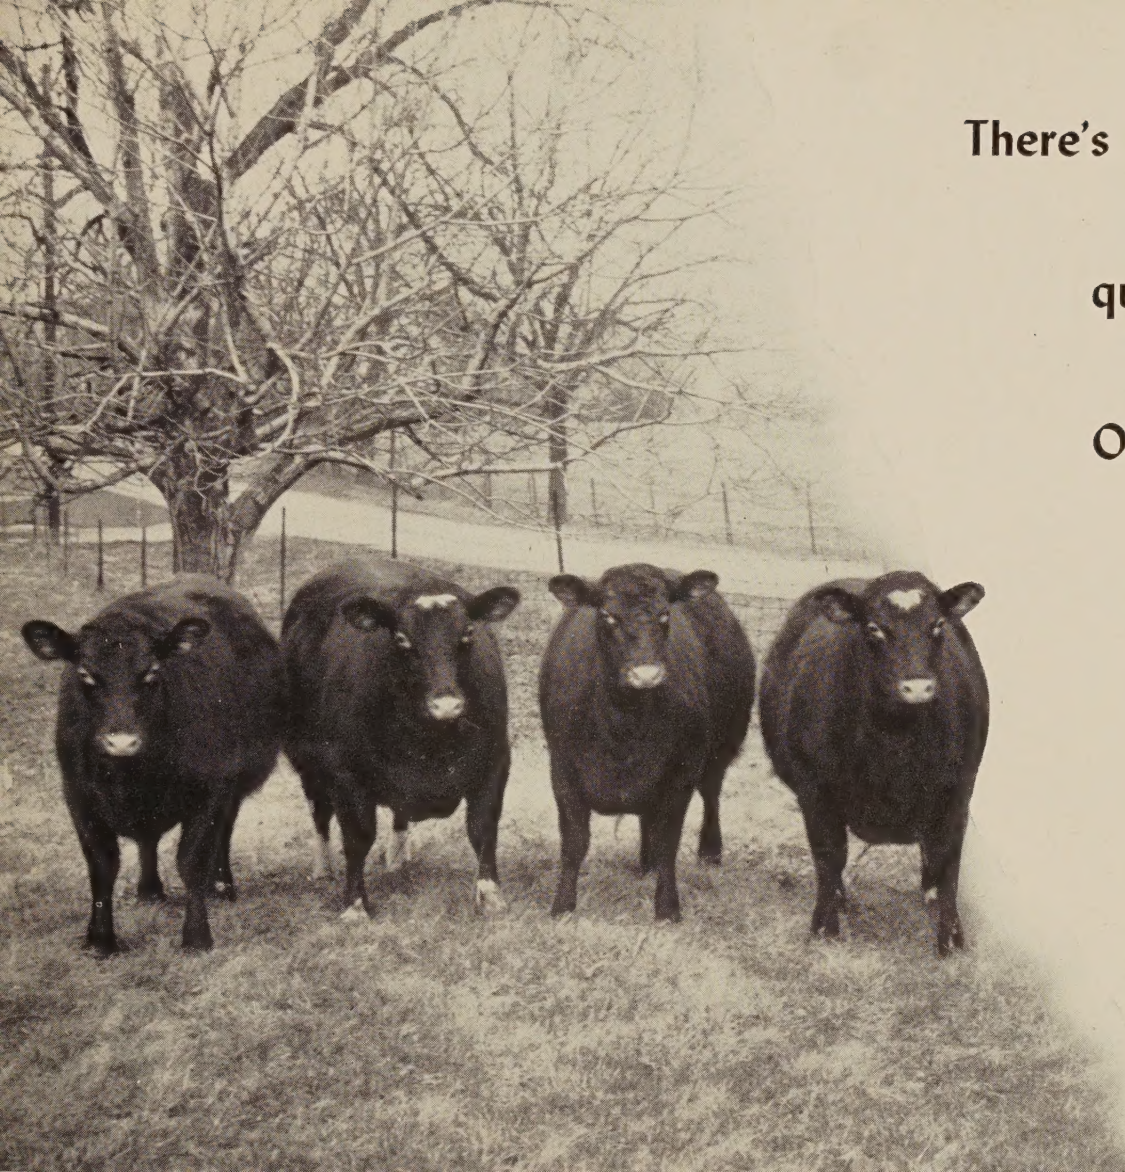

quality about

Oakwood Polled

Shorthorns which

lifts them right

out of ordinary

The Oakwood Influence

This map on the front of the Oakwood auction block tells a convincing story of the influence of a great herd on the cattle stocks of the world. In almost every one of these United States and in eleven foreign countries Oakwood Polled Shorthorns are at work . . . building a greater breed and increasing the profits of their owners. Such recognition must be deserved. Such recognition cannot fail to cause within YOU a great desire to improve the Oakwood way.

Tenth Annual

OAKWOOD STOCK FARM SALE

Ashville, Ohio

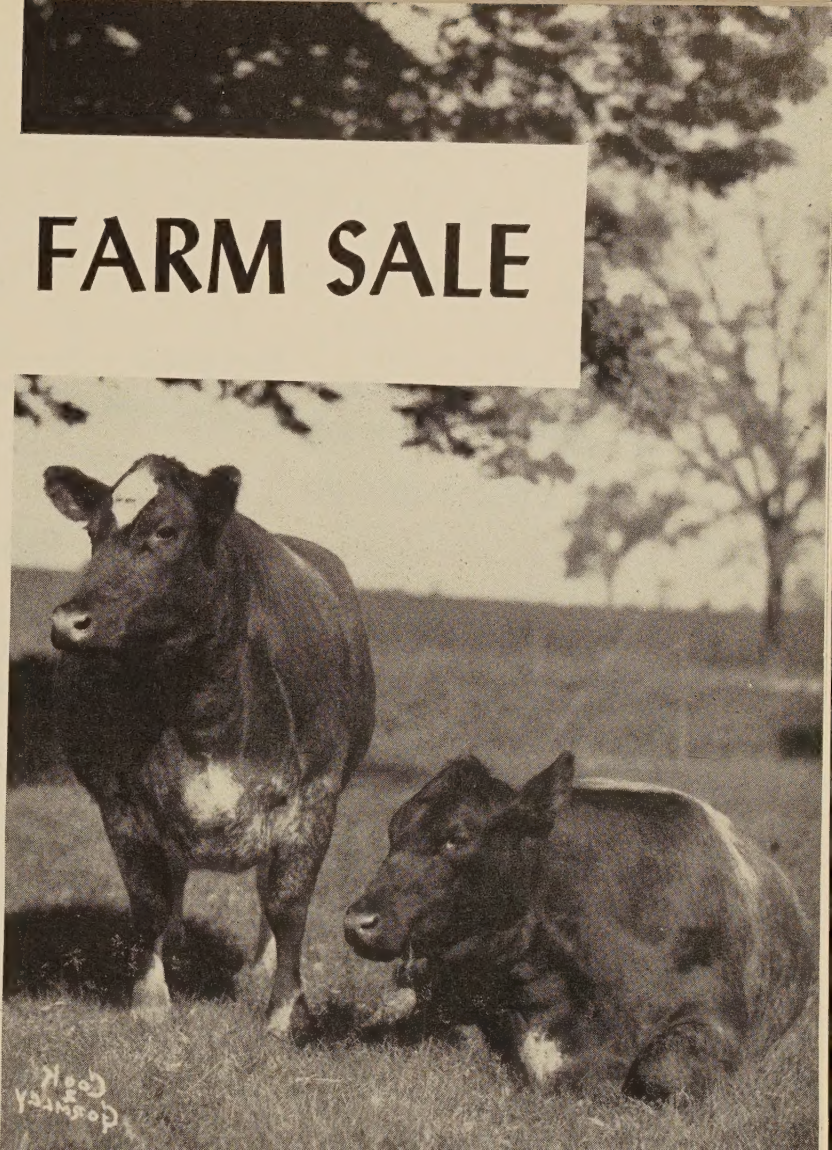

Wednesday

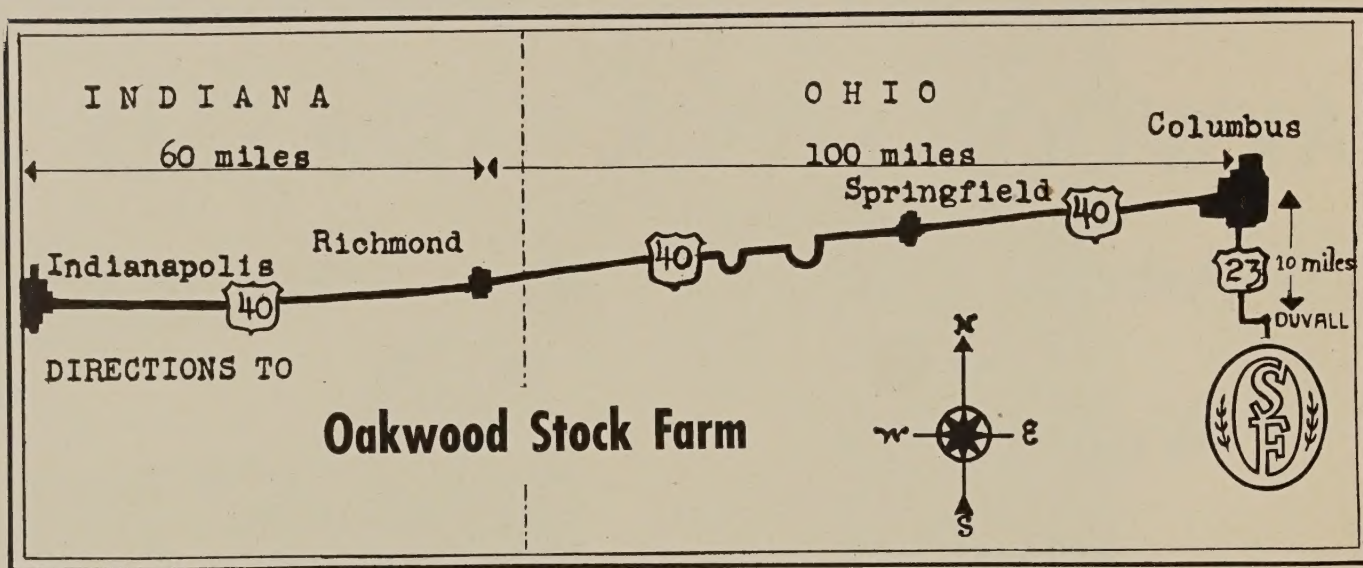

May 4

1949

C. B. Teegardin & Sons, Owners, Ashville, Ohio

Hal Longley, Sale Manager, 16 So. Locust St., Aurora, Ill.

A TRIP YOU'LL ALWAYS REMEMBER . . .

The Tenth Annual Sale of Oakwood Polled Shorthorns will be held on May 4th, the day following the National Polled Shorthorn Congress Show and Sale. Thus the two most important events of the year have been combined for the convenience of those who want to see more good Polled Shorthorns on one trip than ever has been possible before. The Congress will be held in Indianapolis. Our sale will be held at Oakwood Stock Farm, 16 miles Southeast of Columbus. It's an easy trip either by auto, train or air. It's a trip you owe to yourself if you are interested in Polled Shorthorns at their best.

It's An Easy Trip by Auto or Train . . .

BY AUTO . . .

If you are going to make the trip by auto, take U. S. Highway 40 from Indianapolis to Columbus. Oakwood Farm is located 16 miles southeast of the center of Columbus. To reach the farm from Columbus, take U. S. Highway 23 south ten miles to the Oakwood Stock Farm sign at cross road. Then turn left and go through Duvall, Ohio, six miles East to Madison Township School. Turn right to farm . . . one-half mile.

A SUGGESTION . . .

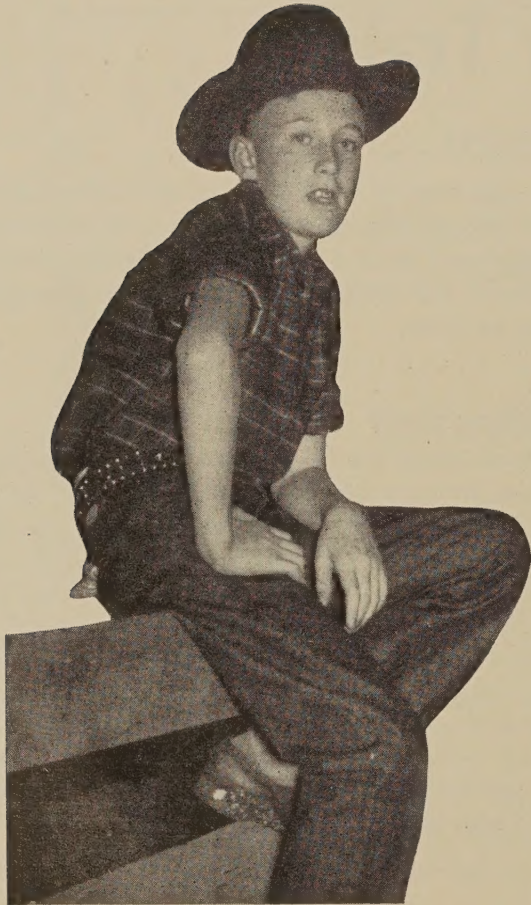

If you are making the trip by auto, we suggest that you stop for the night at Richmond, Indiana. We recommend the Richmond-Leland Hotel in Richmond, but suggest that you make advance reservations because it is a good hotel and a busy one. Stopping for the night at Richmond will leave you about 115 miles to drive on the morning of the Oakwood Sale. Our farm is approximately 175 miles from the Indiana State Fair Grounds in Indianapolis where the Polled Shorthorn Congress is to be held.

PLEASE NOTE . . .

If you are driving your own car and have room for one or two additional passengers from Indianapolis to Oakwood Stock Farm will you please advise Sale Manager Hal Longley so that proper arrangements may be made.

BY TRAIN . . .

The main line of the Pennsylvania Railroad runs directly from Indianapolis to Columbus. It's a very easy trip by train. You can leave Indianapolis at 5:07 P. M. (Central Standard Time) on the DeLuxe All Coach "Jefferson," arriving at Columbus at 9:35 P. M. (Eastern Standard Time) . . . approximately a three and a half hour ride. Headquarters in Columbus will be at the Neil House. If you desire a room reservation at the Neil House, please inform Hal Longley or Paul Teegardin in advance. Transportation will be provided from the Neil House to Oakwood Farm on the morning of the sale.

Here are the People who represent Oakwood Stock Farms

Paul W. Teegardin, Mrs. Paul W. Teegardin, Paul W. Teegardin Jr., and, on the opposite page, Miss Carol Teegardin.

"There will always be a hearty welcome at Oakwood Stock Farm for those who share our love for good Polled Shorthorns."

We Invite You

To all those who are interested in Polled Shorthorns, we extend a cordial invitation to be with us on May 4th on the occasion of our Tenth Annual Sale. Down through the years we have tried to make each offering our best. To further improve each offering has been difficult, because of the quality and promise of preceding offerings.

Now we have resolved to do something of significant importance to celebrate this tenth event. . . to leave no stone unturned to make the offering better than our best offering in the nine preceding sales. In the opinion of those familiar with each of the nine that have gone before we have done just that. Never have we offered such an outstanding lot of herd bull prospects . . . only six . . . but we never had six as good to parade! The females are distinctly the best lot from top to bottom. They are sired by and mated to the strongest battery of herd sires we have ever had in service.

We invite you to visit us before the sale if possible, as well as at any time throughout the year. Especially do we want you to attend this sale, to see this offering, for we are mighty proud to present them. Come in time to inspect our herd of breeding cows. See the calves they are bringing along for 1950 as well as the herd bulls in service that have sired them.

It is natural to believe in one's efforts when they have covered a span of thirty-five years. There is a great fascination in the never-ending game of improving livestock. . . always striving to make each new generation better than the last. We take pardonable pride in the achievements here at Oakwood with the cattle we have owned. There is a particular thrill that goes with seeing them leave Oakwood and do well for their buyers. This lot of cattle are submitted with greater confidence in their worth to the breed and their new owners than we have ever had in the past. We trust that you will join us in our confidence in them and in all better Polled Shorthorns on May 4th.

PAUL W. TEEGARDIN

Have you ever attended an Oakwood Sale? If so, you may find yourself pictured on one of these pages. If not, you should plan to attend on May 4th because it will be the most important Polled Shorthorn event of the year.

Paul Teegardin admits that a lot of his knowledge of cattle and hogs came to him through the teachings of the two men shown with him in this picture . . . Professor D. J. Kays and Professor J. S. Coffey, both of Ohio State University.

GENERAL INFORMATION

This auction sale will be held at Oakwood Stock Farm, owned by C. B. Teegardin & Sons, Ashville, Ohio, on Wednesday, May 4, 1949.

The sale will start at 1:00 P. M. Lunch will be served at the farm.

Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U. S. Highway No. 23 south, ten miles to Oakwood Stock Farm sign at cross road. Turn left and go through Duvall, Ohio, six miles east to Madison Township School. Turn right to farm—one half mile.

We ask all who travel by train to advise us in advance so that we can meet them in Columbus.

We suggest that you come to the sale early so that you will have an opportunity to inspect the Oakwood herd of breeding cows as well as our herd bulls Oakwood Leader, Alpine Sensation, Commander in Chief, and Oakwood Conqueror.

The auctioneers will be J. E. Halsey, Paul Good, Hamilton James, and Gordon Perrill.

Those unable to be present and who desire to do so many send buying orders to any of the following men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.

E. M. Huff, The Shorthorn World, Aurora, Ill.

Clinton K. Tomson, American Shorthorn Breeders' Ass'n., Chicago, Ill.

F. W. Harding, 807 Exchange Ave., Chicago, Ill.

Let us make your Hotel Reservations for you. Try to arrive early for an inspection of the breeding herd.

Guarantee

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

Terms

The terms of the sale are cash.

Health

The Oakwood Polled Shorthorn herd is Federally Accredited for Tuberculosis and is tested regularly for Bangs Disease. Health Charts will be provided that will comply with the regulations existing in any state. Nearly all of the females in this sale have been vaccinated for Bangs. We practice calfhood vaccination at Oakwood and all calves are pretested and clean before vaccination.

Headquarters

Headquarters for our sale will be at the Neil House in Columbus, Ohio. Our farm is located 16 miles South of this city. If you come to the sale by car, please invite your neighbor breeders to ride with you. If you come by train or bus, simply go to the Neil House in Columbus and we will provide transportation to the farm if NOTIFIED.

We will do everything in our power to insure the safety of sale day guests but we assume no liability for accidents of any nature.

Paul Teegardin
points out a
few cows that
money couldn't
buy to Carol
and Paul Jr.

There is no set formula for success in the business of producing animals of superior form. The tools with which we work are not patented. The methods we use bear no copyrights. It is a field of endeavor wherein all have an equal opportunity. Those who succeed are invariably the ones who study the methods of the masters and who plant the seed that has been proved in the hands of the masters.

Thirty-five years ago the Teegardins started to breed Polled Shorthorn cattle. Perhaps fewer cattle were purchased at the outset than are acquired for the foundation of most herds, but the owners had studied and knew how to start. They knew bloodlines and they confined their purchases to those that were dependable. They knew the type and quality that was necessary for the building of a great herd and they did not allow themselves to be swayed into the purchase of some that were "almost as good." A full volume would be needed to relate what they have accomplished in the third of a century that has passed. Briefly, they have bred, exhibited and used more International and State Fair champions than any other Polled Shorthorn firm in the World. An even greater contribution to the industry is the fact that they have distributed to all parts of the United States and to eleven foreign countries the kind of seed stock that has resulted in permanent improvement for the Polled Shorthorn breed.

What the Teegardins have done you can do . . . and the job is now easier. By buying the choice individuals in this sale you have the opportunity of starting at the point in Polled Shorthorn progress that it has taken these Master Breeders a third of a century to reach.

I am proud to be charged with the management of this sale because the Teegardins have provided the best lot in their history for the 1949 Oakwood auction. The six bulls will bring fame to their new owners and the fifty-five females will be tops in any herds into which they may go. If I were establishing a herd for myself, I would want in my foundation the kind that are to be offered in this sale.

Hal Longley

Would You Pay a Little More To Get a Lot More?

On the following pages will be found the pictures of some of the famous sires that have been used at Oakwood Stock Farms as well as the pedigrees of those that are at present in service. Those who study this section carefully will know why the top auctions have been held at Oakwood for so many years. They will also know why the real students of the breed buy Oakwood productions with such a feeling of security.

Successful breeders are aware that the management of a purebred herd may be likened to the management of a bank account . . . **you can't take out any more than you are willing to put in.** Oakwood bred Polled Shorthorns make good because they are BRED to make good. The position of your herd can be strengthened by the purchase of such seed stock . . . and the best ever offered from the Oakwood herd are in this sale.

OAKWOOD ROYAL KING x

For five consecutive years the "get of sire" class at the International Livestock Exposition was headed by the sons and daughters of the International grand champion, Oakwood Royal King x. No other Polled Shorthorn bull has ever equalled or even approached this record.

When Gosshall Ximenes was sold at the 1942 International Shorthorn Sale, Shorthorn breeders were unanimous in their opinion that he was the greatest prospect for a sire that had been offered in a generation. That he should sell for the top price at auction in this country in over two decades, was indicative of their confidence in his future. At that time we had in service at Oakwood three International Grand Champion bulls, but we felt that Gosshall Ximenes could write a new chapter in Polled Shorthorn achievement to use him upon the daughters of these bulls and, in cooperation with Montana Hall, we purchased this bull at \$5,700. His sire, Col-doch Union Jack, was the Supreme Champion at the Perth Show in 1932. That he proved himself an equally noted sire is now history. The record of the sons and daughters of Gosshall Ximenes in Oakwood Sales stands unprecedented, these cattle sired by this great bull having averaged \$1,712.50. A son, Oakwood Grand Duke, sold to Janesway Farms in our 1946 sale at \$5,000. A son was Reserve Champion at the 1946 Congress and another son sold at \$2,050 to bring the second top price. Like his other sons, both of these bulls are proving outstanding sires. His daughter, Gloster of Oakwood B, was the undefeated Grand Champion at the State Fairs of 1946. Gosshall Ximenes died April 30th, 1947. History will surely rate him as one of the breed's GREAT SIRES! This sale offers ample testimony of the ability of his son, Oakwood Leader x, as an improving sire and includes his last son, Oakwood Gold Dust x .

First prize three bull group 1948 International. Oakwood Conqueror x and the two first sons of Oakwood Leader x. Oakwood has won this honor twelve times in the past fifteen Internationals—standing second twice.

In 1948 we said

"Oakwood Leader is the kind of a bull we dreamed of when we first saw Gosshall Ximenes. That's why we chose this calf to follow in the path of his sire when Ximenes died last April. He has as good a head as we have ever seen on a yearling bull—the head of a sire—and a breeding bull's front. He's deep, he's thick, he's smoothly turned, he carries his width from end to end and is as wide as they come at both ends. He has a perfect deep, rich color, and inherited both his excellence and color from his sire as well as from his dam. His dam is a cow that pleases us fully; a heavy milker, ideal in her type and bred right . . . a fundamental to us in the dam of any herd bull. She's a Shepherd Rosemary, a granddaughter of the International Grand Champion, Lee Dale Collynie, and also a granddaughter of the 1927 International Junior Champion, Rosewood Renown. Deep in polled blood, smooth head, seven polled crosses on each side, we have used

him liberally on the heifers selling. In spite of his heavy service he was made Grand Champion bull at the Ohio State Fair, headed the winning three bull group, the winning two bull group, the get of sire, the pair of yearlings and the best bull and female group. We have never shown a Grand Champion that was more universally acclaimed. It substantiates our judgment of him and our thought in buying his dam to mate to Gosshall Ximenes. His first calves are here and justify our confidence in him. See them sale day. You'll be convinced."

And now, in 1949, we would add:

The Oakwood Leader calves which we showed you in 1948 as babies are in this 1949 sale offering. They speak for themselves and should be an indication of the calibre of the calves to be expected from the heifers in this offering which sell mated to this great bull—Oakwood Leader!

Alpine Sensation x

In Alpine Sensation we feel we have one of the truly great bulls produced to date. He represents the "most of the best" in a mature bull. He's the shortest legged bull we know of and he is thick, deep bodied, compact and has a full, deep quarter. His top is wide and his tail setting is level. He's a balanced bull any way you look at him.

Furthermore, he is bred to be a champion. Collynie Impression sired the 1943 and 1944 Polled Shorthorn Congress Grand Champion bulls. Alpine Sensation is his greatest son! His dam is a granddaughter of Daybreak's Collynie, son of the International Grand Champion Lord Collynie and out of the International Grand Champion female, Scottish Daybreak 9th. Line bred in the blood of Lord Collynie, we rate him as the most outstanding bull of that dynasty.

Alpine Sensation was Reserve Champion at the 1945 Congress, in medium condition. He was Grand Champion at the 1946 Ohio, Maryland and West Virginia State Fairs and at the Atlantic Rural Exposition. He closed his show career by being awarded the Reserve Grand Championship at the 1946 International. We are highly pleased with his calves and his get selling in this sale, and the calves coming on will furnish ample testimony of his ability as a sire.

He is one of the breed's greatest bulls and we are proud to have him in service at Oakwood.

Commander In Chief x

It was the outstanding excellence and promise of Commander in Chief, as a six weeks old calf, that prompted us to buy Lady Golden 5th. To us she was a "natural" as a brood cow and we wanted to mate her to Gosshall Ximenes. From this mating she produced Oakwood Leader.

Commander in Chief sold in our 1944 sale to Clare B. Turner & Son, Cass City, Michigan. Everyone was impressed with his outstanding conformation, rich color, levelness, balance and shortness of leg. When the Turners wrote that they wanted a young bull to use on the heifers by Commander in Chief, I visited their farm. There I saw twelve of the most uniform yearling heifers in pasture I have ever seen. We drove to another pasture and saw Commander in Chief with the cow herd. A dozen calves were with the cows. They, too, had the same good heads, the same short legs, the same depth of body and thickness of quarter. They all looked alike!

I realized beyond a doubt that Commander in Chief was a herd sire of the same calibre as Oakwood Leader and asked for a price on the bull. Mr. Turner informed me that he had no intention of selling him; he merely wanted to buy a young bull good enough to mate to the daughters of Commander in Chief.

Two weeks later Oakwood Security went to Elmwood Farm and Commander in Chief and his two daughters, both selling in this sale, came to Oakwood. He has seen heavy service to many of our best producing cows. That's what we think of him and why we went "all out" to bring him back. We want to share his service and have bred a few heifers to him.

He is a one hundred per cent de-horner, a rich red in color, has the head of a sire, is short coupled, deep bodied and smooth in his shoulder. He has a sappy hide and a lot of natural fleshing, stands on bone that is ample and his legs are straight. He is not in high flesh, but we like his stock bull burliness. We are proud to add Commander in Chief to our battery of herd bulls and we trust that you will share our confidence in him.

Oakwood Conqueror x

Oakwood Conqueror is being retained for service at Oakwood. We feel that he is made to order on every count. To our knowledge he is the only polled bull who is a grandson of both Edellyn Royal Leader and Gosshall Ximenes, and represents an ideal combination of the excellence of both bulls. Study him! A sire's head and front! He's deep bodied, short of leg, thick and full quartered. He has a splendid hide, a wealth of natural covering, and his color is dark and rich.

We have refused all offers for Oakwood Conqueror, because we have every confidence in him. How can he fail to sire the "better kind"? Edellyn Royal Leader 2d has proved a sensational sire in the Cherry Hill herd. Edellyn Royal Leader is recognized as the All American Favorite for his record of siring champions at Edellyn Farms. Coldoch Sensation enjoys an enviable position as a leading sire in Scotland, and Calrossie Sweepstake was a sire of equal distinction. Add the Perth Supreme Champion, Coldoch Union Jack, and Oakwood Conqueror combines the "most of the best" in Shorthorn inheritance and wears it well with a Polled Head. It seems to us that the breeding worth of this bull is UNPARALLELED!

YOU CAN BE SURE IF IT COMES FROM OAKWOOD

1. Shop around . . . look over ALL of the sources of supply . . . you'll come back to Oakwood because you will be certain that the "guess" has been eliminated from Oakwood productions.
2. Eight International grand champion bulls have been developed and exhibited by Oakwood Stock Farm.
3. All eight of these bulls have been in service in our herd, where we have mated them to the most outstanding cows we could produce and that money could buy, always 'satisfying ourselves in each case that their breeding and inheritance were absolutely right!
4. The present Oakwood herd bulls are siring the most perfect calves ever produced in the herd. Look them over for yourself on sale day. You'll be convinced.
5. The Oakwood show record stands unparalleled!
6. At sixteen International Shows, Oakwood Polled Shorthorns won thirty championships, one hundred thirty-seven first prizes and eighty-eight second prizes!
7. It is an honor to any herd to have in use a bull capable of siring a winning Get of Sire Group at this great show. We feel it noteworthy to emphasize the fact that seven times we have bred and shown this most coveted group to win first place at the International Livestock Exposition.
8. In a nation-wide contest conducted by The Shorthorn World, Oakwood Royal King was voted by popular ballot to be a two to one choice as the breed's greatest sire of all time! Oakwood Royal King spent his entire life of service here at Oakwood and most of the cows in our permanent breeding herd are directly descended from him.
9. Public appreciation of Oakwood Polled Shorthorns is indicated by the fact that they have been purchased by breeders in almost every state in the Union and in eleven foreign countries.

And Now
on comes the 1949
parade . . . 61 head
designed to meet your most
exacting requirements and
bred to carry on!

OAKWOOD BARDOLIER needs no footnote. All you need is to study his picture. He speaks for himself!

To do justice to his excellence, his promise and his heritage, PAGES would have to be written. He's just THAT kind of bull! How we'd like to show him this year, but we finally decided to let someone else be the coveted owner of such a bull. He is the first bull calf sired by Oakwood Leader. His dam is an outstanding daughter of Coronet Command.

WE NEVER SOLD AS GOOD A BULL!

OAKWOOD GUARDSMAN is the third son of Oakwood Leader and easily one of the best prospective herd bulls we have ever owned. A year hence he could be the best one for he has herd bull promise to spare.

Study his head—who would ask more? It's smooth, too, and looks as though he would be another one hundred per cent de-horner. He's deep! He's thick! He's short of leg and balanced. He's rugged and has ample scale and bone. We never had a calf with a sappier hide or more natural thickness of flesh.

To us, his inheritance is second to none! He is a double bred grandson of Gosshall Ximenes, sired by a champion son, and out of a champion daughter. We feel that this calf has inherited the "best" from each and the general excellence of his grand-sire. Study the calves by Oakwood Leader. See Gloster of Oakwood, the first calf from his dam. We know of no greater assurance to GUARANTEE Oakwood Guardsman.

OAKWOOD GALLANT LEADER—Want a bull with which to show and win in 1949 and 1950? Then Oakwood Gallant Leader should interest you! He's a whale of a lot better than his picture. He stood first in horned competition at the West Virginia State Fair and second to Oakwood Golden Leader at the Ohio State Fair. He has come along well and will please discriminating breeders. He has much width of top, is short of leg, deep bodied, full in his crops, bulging in his quarters and thick fleshed. He is level in his tail setting and, withall, he is smooth. A bull of quality with a grand hide and coat of hair.

His dam is a short-legged, thick, low-set heavy milking cow, with a sweet head and a dark, even roan color. She is by the red Canadian bred Aberfeldy Coronet, whose daughters are making enviable records as brood cows in many herds. He's right in type, he's right by inheritance, and his BUYER will be right!

OAKWOOD GOLD DUST is the last bull sired by Gosshall Ximenes. He is a full brother to the many times champion, Gloster of Oakwood B. Oakwood Guardsman, selling as Lot No. 2, is out of Gloster of Oakwood B and sired by Oakwood Leader, indicating how these Glosters breed on. Take a look at Gloster of Oakwood C and see another one out of a full sister to Gold Dust. Oakwood Grandeur, heading the herd of Ira Fisher & Sons, nearby neighbors, is another full brother to Gold Dust, and Gloster of Oakwood, the good breeding cow in the Cherry Hill herd, is a full sister.

We conclude, therefore, that Oakwood Gold Dust must be a breeding bull. He inherits that right, his brothers and sisters have proved it. He has a splendid head, is short-coupled and deep-bodied. He has bone and substance, and looks a stock bull on every count!

OAKWOOD ESTIMATE . . . ready for heavy service . . . will fill the herd bull requirements for many breeders. He is a bull of style and herd bull character! Just look at that head! He really has a smooth poll! His three top sires were not only outstanding sires, but each was a one hundred per cent de-horner.

This bull has a rich, even roan color. He is smooth, level at his tailhead and true in his lines. He is just his sire over again in type and balance at the same age. Through sire and dam he is a grandson of two of the best breeding International Grand Champion bulls, Coronet Command and Oakwood Merry King. His second dam is the mother of Oakwood Emperor, 1936 International Grand Champion, and she is by our first International Grand Champion, Oakwood Baron.

He looks a sire! His background **GUARANTEES HIS PROMISE!**

MISTY VALE GRADUATE has much to commend him. His breeding certainly offers new blood to Polled Shorthorns . . . blood that has written history in Shorthorn herds in the past two decades. He is the kind of a calf you would expect from his background . . . a show prospect carrying the stamp of a sire. Study his head! It looks like a sire, and he has no scurs. His legs are short and they are right out on the corners. He has a strong top, is full quartered, level in his tail setting and smooth in his shoulders. He can win in fast company. Oakwood Restoration sired the top bull in our 1948 sale, going to Duncan Stewart in Scotland. The dam of this calf is a full sister to our own Strowan Myrtle cow, the dam of Oakwood Myrtle 2d, selling in this sale, and also the dam of the \$2,000 Oakwood Graduate that is siring a bang-up lot of calves for Mrs. Fay Ingalls, Hot Springs, Virginia.

The BEST BLOOD in Shorthorns is back of him. Polled Shorthorns will be IMPROVED by his use.

If some far sighted beginner had the courage to buy the ten best females in this offering along with the best bull in the sale, within the span of five years that beginner would be recognized as owning the best Polled Shorthorn herd in the country. He would not have the MOST cattle but he would be sure to have the BEST.

About the Females in this Sale . . .

Never have we been so completely satisfied with the quality and breeding of our female offering! Every heifer seems to have that perfect combination of individuality and ancestry that provides complete assurance of future usefulness. Just at a time when we felt that the Oakwood Herd had reached its peak strength, we had the opportunity to purchase one of the greatest herds in the land in its entirety . . . the Misty Vale Herd owned by Dr. Parke G. Smith of Cincinnati. Since this famous herd had been established almost entirely on top specimens produced in our own herd, we couldn't resist the temptation to buy them. This addition of 70 head of royally bred Polled Shorthorns made possible a much wider selection with the result that our 1949 female offering is stronger than ever before.

We call your special attention to the large number of heifers carrying the service of Oakwood Leader x. The calves by this young herd bull are excellent! We will show them to you on sale day and we feel sure it will make you want to own the heifers carrying his service.

We ask you to note carefully the bloodlines that are represented in this sale offering. Never in the history of the breed has their kind been available in such numbers. If you will buy them your dreams of a great herd will certainly come true!

OAKWOOD MISSIE 18TH is being listed against our better judgement. We never planned that she should leave Oakwood. She is distinctly an attraction. Few of her kind will be sold in 1949. Unfitted, she stood third in horned competition at the Baltimore, Maryland, show last November. We want to reserve the right to show her this season.

These Edgcote Missies have been excellent brood cows because they produce outstanding bulls and females alike. They've done it down through the years both for us and for our customers. Let's look at the bulls shown in her pedigree . . . everyone a sire of known repute! Go beyond that and no less than eight International Grand Champions are represented in her pedigree.

We are mating her to the solid red, one hundred percent de-horning bull, Commander in Chief. A calf from this mating could be worth more than this heifer will cost, and in the next ten years she can build a herd for you. Her cost? It doesn't matter if you want HER kind!

OAKWOOD MYRTLE 2D could be the top female in any sale. We seriously question if we ever offered one of more value as a brood cow. She just has everything we'd desire in individuality and in her inheritance. No family has produced more top show winners than the animals descending from this Phingask Myrtle cow in the Edellyn and Maxwalton herds in this country and in the Douglas and Deacon herds in Canada. Down through the years they have been distinctly a family of unusual excellence. These are the reasons why we topped the Benroth & Griffith sale in order to bring Strowan Myrtle to Oakwood.

Pages could be written about the bulls and females in this pedigree! Oakwood Graduate, who topped his class in 1946 and sold at \$2,000 in our sale to Mrs. Fay Ingalls, was out of Strowan Myrtle. His first calves label him as an outstanding sire. Roy Hopper, Fredonia, New York, took a full sister mated to Oakwood Leader from our 1948 sale to strengthen the excellent herd he is building. Recent visitors and followers of our sales agree that this is the best lot we have offered. It's heifers like Oakwood Myrtle 2d that make it so, and heifers like her that will be the dams of the top cattle to be sold ten years hence.

She is well forward in calf to Oakwood Leader and that calf can make some very interesting Polled Shorthorn history!

OAKWOOD GLOSTER H is one that we had planned to retain at Oakwood, for she has every right to make a top notch breeding cow. Only an injury to her ankle as a calf keeps her from being a show yard candidate of championship calibre.

Sweet headed? Deep bodied? Thick? Full of quality? YES! She's there all the way! She's a daughter of the \$5,000 Grand Duke. Her dam is a full sister to Oakwood Gloster B, top female in our 1942 sale and also a full sister to Oakwood Gloster C, one of the top breeding cows in the Cherry Hill herd. Consider every sire shown on this pedigree—a Perth Supreme Champion, three International Grand Champions, and each one of the seven a recognized sire of the best. Add her mating to Oakwood Leader and you have a **GUARANTEED FUTURE!**

OAKWOOD ESTELLE 25TH is one of the most promising and most valuable heifers from a producing standpoint, that ever left Oakwood. Her dam is certainly one of the most consistent producers of outstanding calves we have ever owned, and only because of the fact that she has just dropped another heifer calf by Oakwood Leader are we parting with Estelle 25th.

Most breeders are aware of the breeding worth of this family, descended from imp. Milrig Estelle. Little did we know what she would do for Oakwood when we bought her in 1925! Little did we dream of the performance of her descendants in other herds! They've been that way universally. That's why we realize that our breeding program will be hampered without her. We do not know her value, but we feel she can do as much for her new owner as this family has done for Oakwood. Owning her is YOUR guarantee of SUCCESS!

OAKWOOD ANNETTE 2D is a solid red daughter of Oakwood Leader of unlimited promise. She's very short of leg. She's deep bodied and compact. She's the kind that can "go on and on." She comes from a family known as producers of the best. The grand champion female shown by Alpine Farms in 1947 was out of her granddam, and the Grand Champion female at the 1946 Nebraska State Fair was bred the same way.

Right by inheritance, backed by proved performance on both sides of her pedigree, we call her a SURE BET if you want to breed top Polled Shorthorns. At any price, she can be worth it!

OAKWOOD LAVENDER 21ST is the first daughter of Oakwood Leader. We feel that his calves speak well for his ability as a sire. Study his three sons and his three daughters in the offering! They will lend confidence to your interest in these calves as well as in the many heifers in the sale which are mated to him.

Oakwood Lavender 21st can go anywhere with the assurance that she will make good. She is a Dunrobin Lavender of the same foundation as Oakwood Lavender 10th, 1938 International Grand Champion female. Her dam is line bred in the blood of the peer of sires, Oakwood Royal King, through his two International Grand Champion sons, Oakwood Emperor and Oakwood Regent.

OAKWOOD HELEN is another one that we should never part with. Her dam has a long record of producing outstanding breeding bulls, one of which is in service in the Argentine. This is the first heifer we have ever offered out of Millbrook Helen, and it no doubt will be the last for we will keep her heifer calf now at foot. It's a great family and there will never be enough of them descending from Cloverleaf Helen 3rd, by the International Grand Champion, Cloverleaf Royal. A great family to tie to, and a grand heifer with which to do it. She's mated to Commander in Chief, a calf which we shall expect to be of unusual promise. Own her and you'll share our confidence in her!

ROAN LADY OF OAKWOOD 3D is one of the best heifers sired by Gosshall Ximenes. She is, likewise, one of the better heifers ever to leave Oakwood. She is nearly perfect as an example of depth, thickness, smoothness, balance and brood cow character. Just get your eyes full of her. What a head. She'll be a brood cow, of that here can be no doubt. We should really keep her here at Oakwood. When Paul, Jr. was a lad of four he chose Roan Lady of Oakwood to be his own calf when she was just dropped. He has sold some good ones cut of her including the first prize bull, Oakwood Inspiration, in the 1945 Congress sale. This bull went to R. R. Johnston, Dancy, Alabama, and later saw service in the herd of John Lee, Dancy, Alabama. Another full brother to this heifer heads the herd of Dr. Mcseley, Winnfield, Louisiana, and a full sister sold at \$1,000 in the 1945 sale to Dr. George E. Peters, where she developed into a most outstanding brood cow. There is no gamble in owning her kind. Son is proud to have one of such promise to offer. You can own her with PRIDE and PROFIT!

OAKWOOD HAPPINESS 11TH is a solid red heifer that isn't in high condition, but if she lives up to her inheritance she will be a brood cow of the better kind.

Just take her pedigree apart. Seven bulls appear. Five were International Grand Champions, one a son of an International Grand Champion, the other a son of the Perth Supreme Champion, Calrossie Mercury. Oakwood Happiness is the dam of the three times International Championship winner, Oakwood Harmony.

She will be mated to Oakwood Conqueror before sale time. Recent visitors have been loud in his acclaim.

OAKWOOD ORANGE BLOSSOM 5TH should be an attraction in any sale. She is a daughter of Gosshall Ximenes whose record as a sire needs no comment. She's an Orange Blossom out of a dark roan heavy milking dam who raises two calves. There are eight polled dams back of this heifer. She was bred accidentally and calved at twenty months of age. We took the calf from her and dried her up so she would make her normal growth. She is selling mated to Commander in Chief. This sales represents your last opportunity to buy daughters of Gosshall Ximenes. Oakwood Orange Blossom 5th can build a great family in your herd. Study her inheritance! Look her over inch by inch, from every angle! She's the top kind and she will be worth ANY COST!

OAKWOOD CLARA 3D should be of interest for she probably represents the last opportunity to own a daughter of Coronet Command, the 1941 International Grand Champion. Her dam is a solid red daughter of Oakwood Emperor, and she descends from a long line of Marr Claras of consistent performance and likewise keenly sought after. This heifer isn't a show heifer—she's a BROOD cow—and that's where she'll do a-plenty!

These beautiful females all sold in our 1948 sale and went to leading herds where they are maintaining the Oakwood reputation.

OAKWOOD MISSIE 19TH is a dark roan Edgcote Missie heifer that will be a bargain for someone due to the fact that she is not in high condition. Her right to make a real breeding cow is unquestioned because it is inherited. She descends from Edgcote flapper by the Duthie bred Collynie Marshal, rated as the greatest cow ever to leave that famous Edgcote herd. The dam of this heifer is one of the good ones sired by Oakwood Emperor. Backed as she is by such an array of good sires, this heifer can be one of the most profitable investments in the offering. Want to be lucky? Own HER!

Oakwood Rosewood 25th x

One of the top females in our 1946 sale, now owned by Hi-Ho Farms, Phoenix, Maryland, where she is producing top calves.

OAKWOOD ROSEWOOD 29TH—Everyone who attended our 1946 Sale will recall Oakwood Rosewood 25th which sold to Hi-Ho Farm, Phoenix, Maryland. She was cut of the same dam as Oakwood Rosewood 29th.

This solid red, sweet-headed heifer will make a breeding cow. Her dam is a regular producer of a good calf and she is a good milker. Here's a chance to own a granddaughter of the 1941 International Grand Champion, Coronet Command, and a granddaughter of Maxwalton A Wun. This heifer isn't a show prospect, but she looks every inch a brood cow and she can produce show cattle. A beautiful pedigree, a broody heifer, and a sure combination for your success!

DESIGNED TO MEET YOUR MOST EXACTING

All of these beautiful heifers are to be sold in this Tenth Annual Oakwood Sale. From left to right they are: Elmwood Gloster 2d x (Lot 31), Oakwood Annette 2d x (Lot 11), Elmwood Wimple x (Lot 30), Roan Lady of Oakwood 3d x (Lot 14), Misty Vale Estelle x (Lot 22), and Oakwood Lavender 21st x (Lot 12).

REQUIREMENTS AND BRED TO CARRY ON

Here's another quality group of Oakwood Polled Shorthorns. Where can you find thicker, blockier heifers with better polled heads? We ask you to study this catalog because we want you to be convinced that every Oakwood animal is a superior individual by INHERITANCE. You can buy them with complete confidence.

MISTY VALE LAVENDER is only being offered to make certain that this is the BEST lot ever available in an Oakwood Sale. We'd like to keep her right here. If her new owner is agreeable we'd still like to show her.

Her dam was one of the top females in the 1946 International sale. This heifer is evidence not only that her dam is a top breeding cow, but also the reason she is to stay at Oakwood. Just take a look at the four daughters of Cherry Hill Perfect! They label him as a real sire. Blood tells, and this lady inherits her right to be a top female.

Like her head? Isn't she deep-bodied? Well, she's thick, too! She's covered, she's smooth, and she's level! She can be shown in fast company, BUT she can be one of the best breeding cows that ever left Oakwood. Study her. She's REALLY SOMETHING!

MISTY VALE LANCASTER is a solid red heifer who inherits the right to make a grand brood cow. This Lancaster family has produced many of the better Polled Shorthorns through the past three decades and they have been profitable cattle in all hands. She combines the blood of three International Grand Champions on her sire's side and Oakwood Esquire was the top bull in our 1942 Sale. He is still in service in the herd of Kentucky's Governor, Earle C. Clements. Through her dam, one of the top females in our 1944 sale, she combines the blood of Rosewood Renown, 1927 International Junior Champion, and Highland Stamp, the great sire exported to New Zealand. She is bred right. Her pattern is right. She is well forward in calf to Oakwood Leader. Own her and YOU will be RIGHT!

MISTY VALE ESTELLE is one we'd like to keep at Oakwood. She is another member of the history making Estelle family. She is a granddaughter of the \$6,100 Edellyn Royal Leader 2d whose record as a sire at Cherry Hill is known to everyone. Her granddam was the \$1,500 top female in our 1941 Sale, Oakwood Estelle 15th. Edellyn Royal Leader, Collynie Sensation, Oakwood Merry King, Oakwood Emperor—each a champion and sire of champions—leave no question about her inheriting the right to make good.

She's mated to Oakwood Leader. Consider her worth to you in the next ten years. Consider the family she could establish in your herd and the worth of the calf she will deliver by Oakwood Leader.

MISTY VALE ESTELLE 2D is a neat package and one that can be one of the good buys of 1949. She isn't fitted, but she is right in type, ideal rich red in color and short of leg. The Estelle family is held in highest esteem by everyone. Little did we realize her worth when we bought the imported cow, Milrig Estelle in 1925. This heifer is perhaps the most intensely bred Estelle available. Look at the array of sires in the third bracket of her pedigree . . . the Perth Supreme Champion, Calrossie Mercury . . . Oakwood Emperor, 1936 International Grand Champion . . . Oakwood Merry King, 1939 International Grand Champion . . . and Oakwood Emperor again. Oakwood Estelle 15th was the \$1,500 top female in our 1941 sale, and she's back at Oakwood to stay—still a great cow in her own right. Such heritage should warrant your desire to own this heifer.

MISTY'S GRACEFUL is a richly bred heifer of the Law Graceful family. She is a dark, rich roan with a breedy head and front. She is deep-bodied, short-coupled, and a real quality package. Three International Grand Champion bulls, Oakwood Emperor, Oakwood Royal King and Lee Dale Collynie, plus the Perth Supreme Champion, Calrossie Mercury, through his son, Edellyn Silver Mercury, stamp her as one inheriting the right to make a topnotch breeding cow. Consider well her worth, mated to Oakwood Leader, and her earning power down through the next ten years. She should certainly be one that could make your herd better known and your returns **MORE PROFITABLE!**

MISTY VALE AUGUSTA LADY will be popular with everyone. She will be a happy choice for her new owner at any price. She's a universal favorite with visitors . . . the kind they don't forget!

Her dam is a solid red cow that is being retained in our herd. She is a heavy milker and is the dam of the top selling bull in the 1945 Polled Shorthorn Congress, which bull went to Australia. His calves have been outstanding likewise.

Analyze this Bruce Augusta pedigree, then look at this lady. She fills your eye from every angle. She's deep-bodied, thick, smooth, and has style and class befitting a champion. She not only is a show prospect but we also like to visualize her worth as a brood cow. No one knows her value, but WE know that few of her kind are EVER AVAILABLE!

MISTY'S BLYTHESOME BELLE—When Dr. Parke G. Smith told the late Will Johnson to buy for him the two best brood cow prospects available in Canada with which to strengthen his Misty Vale herd, he meant just that. We submit this heifer as evidence of the efforts of Dr. Smith to "breed them better".

We would never part with this heifer except for the fact that we have her dam and she is a young cow. Our loss will be your gain, for we feel her worth to Polled Shorthorn advancement is assured. She is bred to breed on. Misty Vale Superb is the sire of Misty's Blythesome Belle and Misty's Mercury Rosewood, his two first daughters. They furnished ample evidence of his ability as a sire.

Her dam is a granddaughter of the noted sire and show bull, Imported Larbert Templar. She is also a granddaughter of Robinwood Colonel, leading sire of winners in Canada for the past two seasons. He is a grandson of both Millhills Ransom, the Perth Supreme Champion, and of Browndale Goldspur, International Grand Champion. The best blood of Scotland, Canada and the United States in her veins and we have mated her to Oakwood Leader. What could be the value of the calf she will deliver? What will be the total of her earning power in ten years? Rarely do such opportunities present themselves!

MISTY'S MERCURY ROSEWOOD will appeal to critical judges and to those who want to face the future with confidence. Individually, she is right on every count . . . wide, deep, thick, smooth as an apple, chock full of brood cow quality and really balanced.

She combines the best in Shorthorn inheritance, both Polled and horned. She is a Bruce Rosewood with a double cross of the Perth Supreme Champion, Calrossie Mercury, through two of his best breeding sons, Edellyn Supreme Mercury and Edellyn Martial Mercury. Misty Vale Superb was the second top selling bull in the 1946 International. He is out of the 1943 Congress Grand Champion female and by the top bull in our 1942 sale. Such inheritance should warrant enthusiastic interest in her and the possession of her calf by Oakwood Leader. PROGRESS will be recorded in her OWNERSHIP!

JANESWAY LAVENDER 4TH is an excellent heifer measured by any standard. She is a daughter of Oakwood Grand Duke, the bull that topped our 1946 sale at \$5,000. He is a replica of sire, with a polled head, and his calves are a uniformly outstanding lot. The dam of this heifer is a thick, deep-bodied, heavy-milking, solid red cow of the Lavender family.

Study the array of bulls that guarantee her excellence. The Perth Supreme Champion Coldoch Union Jack, Woodlawn Gregory, the 1930 International Grand Champion Oakwood Royal King, and Browndale Pilot, the sire of Raveni Leader and Raveni Masterpiece, International Grand Champion.

This heifer is a show prospect. She has a beautiful head, is deep-bodied and thick and mated to Commander in Chief.

ELMWOOD WIMPLE—We are reluctant to see Elmwood Wimple leave Oakwood. We had a definite place for her in our breeding program. We are proud of her because she is sired by Commander in Chief, and we are enthusiastic about her future as a brood cow for many reasons. She has a distinctive heritage. A full sister is one of the most outstanding heifers yet sired by Commander in Chief. Her dam is a beautiful dark, rich roan, an ideal brood cow and a very heavy milker. She is a granddaughter of Glenburn Royal Flush, noted sire in the Deacon herd in Canada, and he by the great Calrossie Bendsman. Her dam is also a granddaughter of Klaymor Baronet, by the illustrious breed improver, imported Collynie Royal Barage, and he by Rosehaugh Mandarin. We offer her mated to Oakwood Leader and shall follow with much interest the calf from this mating. We predict an unlimited future for both the calf and her mother.

ELMWOOD GLOSTER 2D will appeal to the discriminating breeders. She is a 1950 MODEL OF EXCELLENCE! Dark, rich roan in color, with the head of a breeding cow. She's thick, she's low set, she's smooth. A quality package from stem to stern. Study her from every angle—every angle will please you.

When we saw the calves and yearlings sired by Commander in Chief we immediately decided to bring him back to Oakwood. We also brought Elmwood Gloster 2d and Elmwood Wimple along to show you a sample of his calves.

This heifer belongs to the Duchess of Gloster family. She is deep in polled blood and out of an outstanding deep roan, heavy milking dam. She sells mated to Oakwood Leader. This should insure YOUR interest in owning her!

BUTTERFLY 55TH is a dark rich roan that is as modern as 1949. She's short of leg, deep-bodied and thick, level and true. We showed her last season and she stood next to Gloster of Oakwood C at each show.

Clearview Goldstar, her sire, was Grand Champion at Omaha and is out of a grand daughter of the International Grand Champion, Browndale Goldspur, and he is by Stardale, the noted sire in the Kennedy herd.

This Cruickshank Butterfly family has been among the best and every bull in the pedigree guarantees her worth. Take a good look at the calves in this sale sired by Oakwood Leader. Then visualize what this heifer should produce from his service and she's well forward in calf.

OAKWOOD GIPSY MAID is a dark roan heifer just in her working clothes. She is the right kind and should make a top breeding cow. Her sire is a dark roan one hundred percent dehorner and there are four of his daughters in the offering.

Gipsy Maid 32d is an ideal cow . . . dark roan, deep bodied, thick, good headed and a splendid milker. She has another heifer calf which we hope to add to our breeding herd. The array of sires in this pedigree bespeaks confidence in the future of Oakwood Gipsy Maid. She will sell mated to Oakwood Conqueror. Have him pulled out for careful inspection and I think you'll want to own something mated to him.

MAXINE MAID is a dark roan heifer of the Victoria family . . . a family that has written much history for Polled Shorthorns in the past half century. She stems from the fountainhead of the breed, those Victorias bred and shown by the pioneer leader and breeder, J. H. Miller. Her dam is a sister to the dam of the \$4,700 Oakwood Command; her granddam is a granddaughter of Oakwood Royal King, the peer of sires. The third dam is by the International Junior Champion, Rosewood Renown. From top to bottom the sires in this pedigree have made history. This heifer mated to Oakwood Leader can write another chapter.

MAXINE VICTORIA is a solid red heifer of the noted Victoria family of which there are three in the offering. All are sired by the solid red one hundred per cent de-horning Maxwalton Watchword, top bull in the 1946 Ohio Polled Shorthorn sale.

This heifer has scale and ruggedness and is from a heavy milking daughter of Emperor's Bard, son of the 1936 International Grand Champion, Oakwood Emperor. She is bred to Oakwood Leader, and that should indicate a grand calf! Why not be the happy owner?

GOLDEN ARCH BEAUTY is a solid red granddaughter of the \$4,700 Oakwood Command, proving the greatest sire ever used in the Netherly herd in Australia. The Maude family, of which she is a member, has been one of universal excellence. She is backed by a double cross of the International Grand Champion, Goldspur's Baronet, through his outstanding son, Dreadnaught Bounty. She is mated to Commander in Chief, and this outstanding one hundred per cent dehorning bull should sire a calf that should certainly please her owner.

Paul W. Teegardin, Jr., and his two 1945 club steers . . both sired by Imp. Gosshall Ximenes.

MODERN MISSIE is of the same pattern as her sister, pictured, who sold at \$1,025 in our 1948 sale to Janesway Farms. She has a grand head. She's deep, thick, level and a balanced heifer. Looks like a brood cow for sure! Her dam is a top cow and an excellent milker. She is a granddaughter of the 1936 International Grand Champion, Oakwood Emperor. Her sire is a \$1,500 son of Gosshall Ximenes, and his dam is by Oakwood Emperor. Her merit is by inheritance and she will prove it!

AVALANCHE 25TH is a solid red young cow whose ability to produce outstanding calves is demonstrated by her solid red heifer calf at side. To us, she looks like a show prospect that can stand fast company—a 1950 model! The calf is sired by Oakwood Radiant Command, the solid red son of Montezuma that was sold to J. R. & Charles Clamme, Hartford City, Indiana.

This Avere family produced the celebrated bull, Avondale, and this cow is out of a granddaughter of Taana Goldspur, son of the International Grand Champion, Browndale Goldspur. She is not in high condition for she is a heavy milker, but she is young, she is sound and right, is a real breeding cow and sells mated to Oakwood Leader.

Glen Knolls Monarch x is by the same sire as Glen Knolls Estelle 6th.

GLEN KNOLLS ESTELLE 6TH is being offered in response to the many requests to sell a few cows with calves at foot, and re-bred. She is a model brood cow—an ideal type. Short-legged, deep-bodied, a splendid milker, she combines all these qualities with a pedigree that is perfect to insure her ability to reproduce her kind.

Her sire, Collynie Monarch, is the sire of the \$4,000 Glen Knolls Monarch, the Lynnwood Farm herd sire. Her dam is not only a daughter of the 1936 International Grand Champion, Oakwood Emperor, but a double-bred granddaughter of Oakwood Royal King, the peer of Polled Shorthorn Sires. Add Collynie Type 3d and King Collynie, Jr., and you'll see why her dark, even, roan bull calf by Oakwood Restoration is a herd bull prospect for someone. She will be re-mated to Oakwood Leader. Glen Knolls Estelle 6th should be regarded as a female with extreme appeal!

Here are four more outstanding heifers which sold in the 1948 Oakwood Sale and like all Oakwood productions went into the name herds of the breed.

OAKWOOD ROYAL KING. Sire: Village Count x1426114 by Royal Count x708335, out of Lady Estelle x972799. Dam: Phyllis Lassie 6th x1443150 by Royal Sultan Jr. x1297638, out of Phyllis Lassie 5th x1281959.

L.P.S. JUNO 7TH is being offered because her daughter, Oakwood Juno, whom we had planned to sell, had the misfortune to lose an eye. Therefore we offer this cow, a splendid individual, who will be right at calving to the service of Alpine Sensation.

This cow is the dam of the fourth prize Senior heifer at the 1947 International, now in the Franklin herd in Canada. A full sister to Juno 7th is a top female in the Thieman herd and equally noted as a producer in their hands.

Here is breeding of the best. They have been just that kind at Oakwood and in every other herd in this country and Australia. She is by a solid red, one hundred percent de-horning, three-fourths brother to the 1940 International Grand Champion, Oakwood Commander. Oakwood Regent was the 1934 International Grand Champion and Oakwood Royal King, his sire, was the 1930 International Grand Champion bull. This is a GRAND cow of the RICHEST bloodlines! You can own HER with PLEASURE and PROFIT!

Oakwood Lady Golden, a full sister to Oakwood Leader that has been retained in the Oakwood herd.

MAXINE VICTORIA 2D is one that good cattlemen will appreciate. She's deep and thick . . . she's good headed . . . she's level and will make a grand cow. These Victorias have been good cattle and likewise profitable cattle.

Through her sire, she represents the best efforts of P. G. Ross and his Maxwalton herd, where many of the breed's top producers have been bred. Her dam combines the blood of Oakwood Emperor and Scottish Peer on the richest Victoria foundation with her granddam a sister to the cow that produced the \$4,700 Oakwood Command. She sells mated to Alpine Sensation, the many times champion in 1945 and 1946.

MAYFLOWER MAID is a rich colored, dark roan heifer of correct pattern and excellent breeding. She is short legged, short-coupled and wide; a real brood cow prospect. This Mayflower family has produced many of the breed's best cattle. The combination of International Grand Champion blood in Red Oak Principal, through Browndale Goldspur and Collynie Stardale, is RIGHT! She was bred on December 17, 1948 to Cherry Hill Highness, grand champion bull 1948 Maryland State Fair.

Please Note These Facts About the Next Ten Females in This Catalog

Early in March we had a windfall! Just as we were putting the finishing touches on our sale offering we had an opportunity to acquire this hand-picked group of ten royally bred heifers, all safe in calf to a State Fair Grand Champion bull. Here's how it happened. During the year 1948 Mr. Frank W. Harding was commissioned to buy a group of top heifers for export to Scotland where they were to be used for the foundation of a Polled Shorthorn herd at Millhills, the famous farm owned by Duncan Stewart. A total of 29 heifers were purchased, all superior individuals representing the strongest Polled Shorthorn bloodlines. British import regulations provided that all must have cleared from their vaccinations before shipment to Scotland. Nineteen of them cleared early and were shipped to Scotland last October. When the remaining ten heifers had cleared, application was made for a shipping permit but it was found that a second import permit could not be obtained by Mr. Duncan Stewart under present British monetary regulations.

Accordingly these ten choice heifers were offered to us and we jumped at the opportunity! We are adding the entire group to our 1949 sale list in order to make the Tenth Annual sale offering the strongest in Oakwood history.

These heifers were hand-picked by a widely known judge for the foundation of a great new herd. They will be hand-picked for the use of our sale day customers. All are well forward in calf to CHERRY HILL ROYAL HIGHNESS x, a son of Edellyn Royal Leader 2d that won grand championship at the Maryland State Fair with both Shorthorns and Polled Shorthorns competing. We are proud to offer this group under the name and guarantee of Oakwood Stock Farm.

OAKWOOD MAYFLOWER MAID 2D is a rich, red heifer that carries every assurance that she will make a great breeding cow. The breed has had few cows whose record for producing top calves can approach that of Mayflower Maid 2d. Her daughter, Mayflower Maid 4th, was the 1941 Polled Shorthorn Congress Grand Champion female, selling to Lynnwood Farm at \$1,000. Another daughter went to Lynnwood in our 1941 sale and, in turn, topped their females in 1944, going to California. Another daughter sold in the 1943 Congress sale at \$1,100 and a fourth daughter brought \$975 in our 1944 sale, to go to Montana Hall. Her inheritance is proved; her future is unlimited; her earning power is assured! She is bred to C H Royal Highness on December 26th.

A pair of our 1948 sale heifers with the deep bodies so characteristic of the typical Oakwood females.

OAKWOOD LADY MAYFLOWER 3D is a rich, dark roan that would stamp Oakwood Mercurian as a sire of top notch calves. Her dam is a solid red, heavy milking cow that we bought in the Burns' dispersion and always produces a top calf, just like this lady. Here's a Bruce Mayflower, deep in the best polled blood, a family of highest repute and a heifer equal to her inheritance. Sweet headed, short legged, deep bodied, thick, wide and level, she is one that is certain to make a valuable breeding cow. We don't know her value, but we do know that top herds are built upon her kind. She was bred on January 17th to C H Royal Highness.
